

An aerial satellite view of a residential and industrial area. On the left, there is a residential complex with several buildings and a parking lot. In the center, there is a large, flat, light-colored area, possibly a construction site or a cleared field. To the right, there is a wooded area with a river or stream. A red location pin is placed on the flat area, with the text "N 6596881, E 502020" next to it.

N 6596881, E 502020
